Quantitative comparison of hemolymph proteins in honeybees

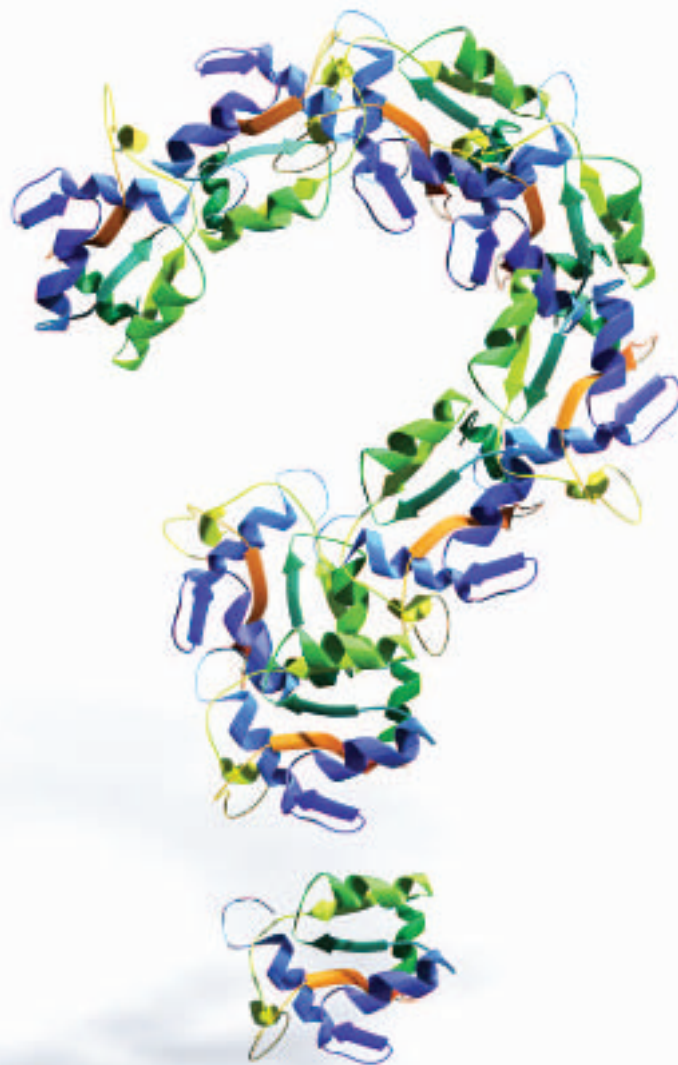

In this issue

- Transgenic Mouse Proteomics
- Phagosome Proteome Profiling
- Kinase Signaling in Muscle
- Honeybee Hemolymph Proteomics
- Polyanion-binding Proteins
- Virus-Plant Interactions
- SUMO-1 and SUMO-2 Targets
- Protein Analysis of *C. pneumoniae*
- HCV Lipid Raft Proteome
- Novel Antibiotic Biomarkers
- Rules of First Met Excision
- Sulfotyrosine-specific scFv
- Selecting Phage mAbs *in Situ*
- Vibrio cholerae* Flagellins
- Proteomics Samples Complexity
- 2DE vs. LC-based Separation

Published by the American Society for Biochemistry and Molecular Biology

Whatever protein quantification questions you face, Waters gives you the biostatistically significant answer.

With the only label-free system using patented LC/MS^E technology – plus unparalleled bioinformatics for isotopic/isobaric labeling using classic LC/MS/MS – Waters has the tools you need for confident protein quantification. Our comprehensive Q-ToF Premier™ system enables you to measure changes in biology, draw biostatistically significant conclusions, and create a knowledge base for scientific advances. For more information, visit www.waters.com/p2

Visualize...

A perfect union.

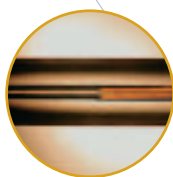

Revolutionize the way you make capillary LC-MS connections with PicoClear™ Technology.

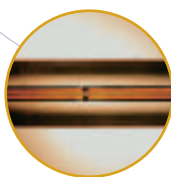

With PicoClear™ Technology, true zero-dead-volume capillary connections are finally a reality. PicoClear uses radial compression rather than frusto-conical force to make a secure liquid seal and to ensure accurate axial alignment – of even the smallest inner diameter tubing – with high-pressure holding power. The PicoClear design allows the use of clear polymers to provide visual confirmation that the tubing connection is perfectly aligned and leak-free. Insert a Self-Pack IntegraFrit™ into the inlet side of the union and the PicoClear union becomes a non-metallic, viewable inline filter.

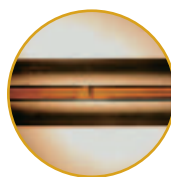

No Gaps. No Uncertainty. Perfect Union.

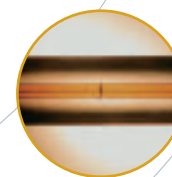

1 Insert 1st Piece of Tubing

2 Insert 2nd Piece of Tubing

3 Fit Tubing Together

4 Compress Fittings
