

The American Society for Biochemistry
and Molecular Biology

Why Join **ASBMB?**

We are experts in our industries and professions. We work in the areas of biochemistry, molecular biology, pharmacology, physiology, nutrition, anatomy and proteomics. We come from diverse backgrounds and have dedicated our professional lives to working in the biological and molecular biology fields.

We Are **12,000** People
Just Like You!

Publications

Free Online Journal Subscriptions

with membership, including the *Journal of Biological Chemistry*, the *Journal of Lipid Research* and *Molecular and Cellular Proteomics* as well as a print and **DIGITAL** subscription to **ASBMB Today**, the monthly society magazine, and discounts on ASBMB print journal subscriptions and other scientific journals such as the *Annual Review of Biochemistry*, *Trends in Biochemical*, and *Biotechnology and Applied Biochemistry*.

Meetings

Discounted Annual Meeting registration fees and access to travel awards.

Education

Access to career networking opportunities and other educational resources.

Advocacy

Become involved in all levels of governmental activities.

Diversity

Access to special Annual Meeting Minority Symposia sponsored by the Minority Affairs committee and access to the FASEB/MARC Visiting Scientist Referral Network.
